## EXPERIENCE

Roger CPA Review  
Oct. 2013 - Present

### Lead Designer

Designer for various projects including two IOS applications, Drupal CMS re-design of website, redesign/development of various pages throughout the current CMS, and other marketing/ecommerce needs.

Roger CPA Review  
Nov. 2012 - Sept. 2013

### Jr. Web Designer/Developer

Redesigned and coded multiple pages of the website and navigation, using HTML / CSS / jQuery. Designed graphics and banners for the website and 3rd party affiliates.

MyLikes  
July 2012 - Oct. 2012

### Web Design Intern

Created wireframes and high fidelity mockups for complete website redesign. Worked with development team to provide design solutions for the responsive framework.

Ticketfly  
Feb. 2012 - June 2012

### Web Design Intern

Designed and updated Wordpress templates with new content, including imagery, copy, and social media widgets. Created and edited email newsletters for clients.

Digital Media Factory  
Apr. 2010 - Aug 2011

### Motion Designer/Video Editor

Created 2D/3D animations for clients and company advertisements. Logged and edited over 800 hours of footage with the help of a team of interns to produce a final piece. Assisted with audio, video, and lighting of various live events.

## EDUCATION

Fall 2014

### Master of Fine Arts in Web Design & New Media Academy of Art University - San Francisco, CA.

Web Design & New Media is an interdisciplinary degree that develops professional techniques to improve design, development, and the user experience.

Fall 2009

### Bachelor of Arts in Music Industry & Technology, Option: Recording Arts Minor in Business Administration Chico State University - Chico, CA.

The Recording Arts degree focused on audio recording and the processes therein, including: preproduction, recording, editing, and mixing of final deliverables.
